From the 1st Drop

Overview

Bear Cole talks honestly about making music, building projects, technology, independent work, mistakes, and figuring out what comes next. Expect real stories, practical lessons, plenty of humor, and no guru nonsense—just the experience of creating, learning, changing direction, and starting somewhere.

For your story

Bear Cole talks honestly about making music, building projects, technology, independent work, mistakes, and figuring out what comes next. Expect real stories, practical lessons, plenty of humor, and no guru nonsense—just the experience of creating, learning, changing direction, and starting somewhere.
