Prime Time

Overview

WUUYUH presents Prime Time, a single released on June 25, 2025. Prime Time: WUUYUH’s Explosive Debut Single Blends Atmosphere with Bass-Driven Energy “Prime Time” is the debut original single from WUUYUH, and it makes one thing clear—this rising producer is here to shake up the underground. Prime Time is featured on WUUYUH's Snowball Album " WUU Girl$ ". Released by 1st Drop Music, Prime Time is a masterclass in contrast and control, moving seamlessly from smooth, atmospheric intros to explosively energetic bass drops that hit with

full force. It’s a track designed to build tension and deliver release, embodying the bold, unpredictable sound WUUYUH is quickly becoming known for. Blending elements of Bass Music, Trap, Electronic, and EDM, Prime Time delivers a high-octane experience while still making room for moments of moody introspection. The track pulses with futuristic synths, gritty low-end energy, and intricate rhythms, all tightly woven into a crisp, genre-bending production. It’s the kind of track that lights up a set and sticks in your head long after it ends. As WUUYUH’s first official original single, Prime Time sets the tone for a promising catalog of fearless releases. It’s the perfect entry point for fans of boundary-pushing electronic music who crave both melodic depth and bass-fueled adrenaline. Now streaming on all major platforms via 1st Drop Music.
